Planned to be a part of the "War Years" campaign, Canada's General Motors Dealers have played a prominent part in making our nation mobile, prosperous and great. During the war years, despite the difficulties imposed by restrictions and shortages, they have shouldered new responsibilities and obligations. They have helped conserve critical civilian transportation.

In the past

From the earliest years of motoring in Canada, the General Motors Dealer has been active in providing the nation with every facility and transportation—and in keeping that transportation in sound, serviceable condition.

In the present

Throughout the critical war years, your General Motors Dealer has devoted all his skill, all his resources, all the facilities of his organization, to the really important task of keeping civilian transportation rolling.

Have a "Coke" = Merry Christmas

...adding refreshment to holiday cheer

The spirit of good will rules the Christmas season. It's a time to get together with friends and family... a time when all we mean by home in its graciousness and friendliness is at its peak. In such an atmosphere Coca-Cola belongs, ice-cold and sparkling with life.

There's a whole story of hospitality in the three words *Have a "Coke"*,—three words that

express a friendly spirit the whole year 'round. Yes, Coca-Cola and the pause that refreshes are everyday symbols of a way of living that takes friendliness for granted.
